

## DS-PDEB1-EG2-WE

### Emergency Button

Emergency button is an effective wireless product for emergency. It is flexible to be fixed in any hidden places.

- Fully remote configurable through App
- Multiple enrollment methods and easy installation design
- Effective emergency button
- Frequency hopping against jamming for reliable transmission

## ▪ Specification

| Feature                           |  |
|-----------------------------------|--|
| Button                            | 1  |
| Tamper Protection                 | Front,Rear                                     |
| Environment Temperature Indicator | Support  |
| Signal Strength Indicator         | Support  |
| Interface                         |  |
| LED Indicator                     | Blue(Alarm)                                    |
| Transmission                      |  |
| Transmission Technology           | Tri-X Wireless                                 |
| Transmission Method               | Two-Way RF Wireless                            |
| Transmission Frequency            | 868MHz   |
| Transmission Security             | AES-128 Encryption                             |
| Transmission Range(Free Space)    | 1.2Km  |
| Frequency Hopping                 | Support  |
| Enrolling Method                  | Power up,Remote ID,QR Code                     |
| Electrical Characteristics        |  |
| Power Supply                      | Battery Powered                                |
| Battery Type                      | CR2450 x 1                                     |
| Typical Voltage                   | 3V   |
| Standard Battery Life             | 3 Years  |
| General                           |  |
| Operation Temperature             | -10 °C to 55 °C (14 °F to 131 °F)              |
| Storage Temperature               | -20 °C to 60 °C (-4 °F to 140 °F)              |
| Operation Humidity                | 10% to 90%                                     |
| Dimension(WxHxD)                  | 63.8mm × 63.8mm × 17.9mm                       |
| Weight                            | 45.5g  |
| Mounting Method                   | Wall   |
| Application Scenario              | Indoor<br>Green Keymat For Medical Application |
