

**VAT-UP500S-4.2**  
**Power supply for 1280\*960**

- Power supply for DS-D42xxCO-2APA/DS-D42xxGO-2APA

## ▪ Specification

| Product Type                   |                                         |
|--------------------------------|-----------------------------------------|
| Product Type                   | Spare Power Supply Unit                 |
| Power                          |                                         |
| Power Supply                   | 100 to 240 VAC, 50/60 Hz                |
| Power Consumption              | ≤ 190 W                                 |
| Working Environment            |                                         |
| Working Temperature            | -40 °C to 60 °C (-40 °F to 140 °F)      |
| Working Humidity               | 10% RH to 90% RH (without condensation) |
| Storage Temperature            | -40 °C to 60 °C (-40 °F to 140 °F)      |
| Storage Humidity               | 10% RH to 90% RH (without condensation) |
| General                        |                                         |
| Package Dimensions (W × H × D) | 232 mm x 122 mm x 67 mm                 |
| Weight                         | 435g/PCS                                |
| Hardware                       |                                         |
| Dimensions (W × H × D)         | 208 mm × 60 mm × 26 mm                  |

## ▪ Available Model

VAT-UP500S-4.2

## ▪ Accessory

### ▪ Included

| DS-D4257GO-2A                                                                       | DS-D42A0CQ42-2                                                                      | DS-D42A0CO-2A                                                                       | DS-D4257CQ42-2                                                                        | DS-D4266GO-2A                                                                         |
